

Child Passenger Safety Messages

Use the following hashtags: #therightseat #carseatcrusaders

- Is your child in #therightseat? #carseatcrusaders
- Have your car seat checked today by a certified child passenger safety technician. #carseatcrusaders
- Your child is watching you. Are you buckled up? Make sure your child is too! #therightseat #carseatcrusaders
- Parents – do you know for sure that your child’s car seat is correctly installed? Visit safercar.gov/therightseat to learn more! #carseatcrusaders
- The back seat is safest place to ride (& it has great views)! All children under age 13 should ride in back seat. RT if you agree!
- Best way to protect children in the car is to put them in #therightseat, at the right time, and use it the right way. #carseatcrusaders
- To best protect your #child in a crash, #car seats must be used correctly.
- The best car seat is the one you use, correctly, every single time. #therightseat #carseatcrusaders
- You may be surprised how many parents and caregivers think they are using #therightseat – but are not. #carseatcrusaders
